## ECONOMIC DEVELOPMENT AND TRADE PROMOTION

Our efforts in this regard consist of encouraging American firms to consider the distribution of their products in Alberta, the possibilities of having their products manufactured under license in Alberta, or the establishment of a branch office or plant in Alberta through joint venture with another Alberta company or through its own efforts. These companies are sought out at trade shows, seminars, word-of-mouth and referrals. Often American companies seek us out.

This office is also interested in arranging the sale of products made in Alberta to local buyers. In this regard, our office works in conjunction with the local Canadian Consulate and Trade Commissioner's office. In addition, this office acts as a point of contact or liaison between companies and parties, both private and government in Alberta and California.
